

HELP CURE JM WIN A \$250K RESEARCH GRANT

HELP US CHASE JM AWAY

Juvenile Myositis (JM) is a group of rare and life-threatening autoimmune diseases affecting about 17,000 children and adults. Chase Community Giving is awarding \$5 million in grants to the non-profit organizations that receive the most votes from the online community.

**YOUR VOTES CAN HELP US WIN A
\$250,000 RESEARCH GRANT FROM
CHASE COMMUNITY GIVING**

Vote all 3 ways...to Chase JM Away! Vote September 6 - September 19

FACEBOOK

Go to <http://tinyurl.com/click2curejm-rett>
Move your cursor over the Cure JM *Vote* button.
If you haven't already installed the Chase Community Giving app, a pop-up box will appear. Click *Allow Access*.

Vote for Cure JM.

You **must** cast a second vote for a different charity to receive a bonus vote. We request that you cast your second vote for the **Rett Syndrome Research Trust**.

FACEBOOK SHARING

After voting on Facebook, click on *Like*, *Send*, *Tweet*, or copy the link provided to an email to your friends asking them to vote for Cure JM.

If a friend clicks through and votes, you will receive a 1-time bonus vote.

Vote for Cure JM.

FOR CHASE CUSTOMERS ONLY

If you don't already have an online account, go to www.chase.com and set-up on-line access.

Go to www.chasegiving.com

Vote for Cure JM and one other charity of your choosing.

**PLEASE SHARE WITH ALL OF YOUR FACEBOOK FRIENDS
AND ASK THEM TO VOTE**
