

CURE JM FAMILY DAY CHICAGO

Cure JM

Find Your People. Fuel Your Fight.

Come together with other Chicago-area JM families for a day that is as inspiring as it is practical. You'll connect with families who truly understand the ups and downs of living with juvenile myositis. Kids will enjoy fun activities and new friendships, while parents hear directly from Lurie's best-in-class pediatric rheumatology team about the journey toward better treatment and improved lives. You'll leave feeling encouraged, connected, and ready to face what's ahead with fresh hope and practical tools.
