

CURE JM FAMILY DAY NEW ORLEANS

CureJM[®]

Find Your People. Fuel Your Fight.

Come together with other JM families for a day that's as inspiring as it is practical. You'll connect with families who truly understand the ups and downs of living with juvenile myositis. Kids will enjoy fun activities and new friendships, while parents hear directly from best-in-class pediatric rheumatologists about the journey toward better treatment. You'll leave feeling encouraged, connected, and ready to face the new school year with fresh hope and practical tools.
