

# CURE JM FAMILY DAY

# San Francisco

## Find Your People. Fuel Your Fight.

Come together with other Northern California JM families for a day that is as inspiring as it is practical. You'll connect with families who truly understand the ups and downs of living with juvenile myositis. Kids will enjoy fun activities and new friendships, while parents hear directly from best-in-class pediatric rheumatologists, an occupational therapist and a registered dietician about the journey toward better treatment. You'll leave feeling encouraged, connected, and ready to face what's ahead with fresh hope and practical tools.
