CURE JM FAMILY DAY

San Diego

Find Your People. Fuel Your Fight.

Come together with other Juvenile Myositis families for a day that's as inspiring as it is practical. You'll connect with families who truly understand the ups and downs of living with juvenile myositis. Kids will enjoy fun activities and new friendships, while parents hear directly from best-in-class pediatric rheumatologists about the journey toward better treatment and a cure. You'll leave feeling encouraged and connected with fresh hope and practical tools.
