

CURE JM FAMILY DAY

San Diego

Cure JM[®]

Find Your People. Fuel Your Fight.

Come together with other So Cal JM families for a day that is as inspiring as it is practical. You'll connect with families who truly understand the ups and downs of living with juvenile myositis. Kids will enjoy fun activities and new friendships, while parents hear directly from best-in-class pediatric rheumatologists, and mental health professionals about the journey toward better treatment. You'll leave feeling encouraged, connected, and ready to face what's ahead with fresh hope and practical tools.
