

Connect to Cure JM!

Join a growing community of families who have successfully navigated the JM journey and are here to help you do the same. Get connected with a network of understanding, encouragement, and resources. Joining is free, but the support you'll receive is priceless.

Connect for free at www.curejm.org/connect

As a part of our Cure JM community, you'll receive:

- The option to connect 1:1 with another family, to be a shoulder and a guide for your journey
 - A free digital copy of the definitive JM guidebook, *Myositis and You*
 - Invitations to join our virtual "Ask the Doctor" town halls
 - Our monthly newsletter
 - Support and education resources for parents, grandparents, teens, young adults and more
-

"We are so grateful for the resources and support we have received from Cure JM. The wisdom of the other families who had been down this road before has helped us so much!"

Tracy V.

Join us at an event online or near you...

"Ask the Doc" Online Town Halls

Hear from experts on topics of interest. After the doctor session, families who wish can stay on for conversations with other families just like yours.

www.curejm.org/townhalls

Walk Strong to Cure JM®

Enjoy food, friendship and fun for the whole family — kids, teens, parents and grandparents — while you help raise funds for JM research and educational programs. Find a walk near you at

www.curejm.org/walkstrong

Regional Chapter Events

Cure JM Chapters team up with local children's hospitals to host educational Family Days and community-building Regional Conferences. Learn more at www.curejm.org/regional-events

Our National Conference

Cure JM National Conferences bring together families, researchers, and clinicians from around the world to share information about the latest JM treatments and research while building connections in the JM Community. Learn more at www.curejm.org/conference
